

# ACTIVE KILLER SEMINAR

## LIVESAFE PROTECTOR SERIES

**We come to you. Call now to book your group!**

Build your workplace into a team of assets that will take control in the event of an Active Killer. We approach training from the perspective that nobody is coming to help & you are on your own. Your group will learn the most essential self-reliance skills because on average, first responder time is 12 minutes. Can you keep yourself alive for 12 minutes in a life & death situation? Let us help customize your workplace plan for success.

**2+ hour Workshop**

**5 Protector Tools discussion**

**Physical scenario training to neutralize the threat**

**Customize your team game plan**

**Failure to plan is planning to fail**
